

Welcome back!

We will be strictly operating with the current Covid measures required by the government.

- We will be serving drinks in our outdoor areas only. Table service will be safely in place. All you need to do is get comfortable and enjoy the outdoors. Please come prepared for all weather eventualities!!!

We are now able to offer a selection of dishes and small plates only. Our full menu will be back on 18th May 2021, once we can welcome everyone inside.

- We ask that you remember to bring a suitable face covering, you will need it to walk through to the courtyard and access the toilet areas. We can only allow you on the premises once we have been able to register individual entries for over 16. This can be done through the NHS app. Alternatively your details will be written down.
- The rule of 6 applies for small groups. Two separate households are able to sit together as a group of 10 maximum. Entry may be refused if you are unable to provide evidence of joint address for both households.
- Booking a table in advance is strongly recommended for a 2 hours slot maximum. Please do so via our landline on 01243-371533 only. The online booking enquiry system is NOT currently operating. Please call and book in opening hours.

We look forward to seeing you soon!
