

**Following The Prime Minister's announcement on Tuesday evening,
and despite a few more restrictions...**

We are glad to continue and welcome you at

THE SUSSEX BREWERY

We ask that you continue using the same entrance and exits, following our one way system. Our sanitising stations remain in the same locations and we will continue to take your details at the door on arrival, if you are unable to access the mandatory NHS tracking system, via a smart phone, by scanning our QR code available by the entrance.

We have had to alter some of our service hours and of course we will be subject to the national curfew of 10 pm closure. Please take a look below.

We will continue to provide you with our friendly table service. Please be patient with us and remain seated, at busy times in particular, we are attending customers across several areas, as safely and quickly as it is possible.

On arrival you will need to approach our side entrance whilst wearing a suitable face covering. We will check you in and direct you to your table. Face coverings should be worn at any time where you are not sitting at the table.

These measures are mandatory and you will not be able to join us or remain on our premises if you are unable to strictly follow them. It remains our top priority to operate safely for the well-being of both our team members and our clientele.

And finally we strongly advise that you book a slot in advance before you visit us, even when it is just for "a quick pint". The outdoor area is looking less appealing as the weather is changing, and our indoor capacity is very limited....although we are working on increasing it in the next few weeks.

Booking is via telephone only, our online enquiry system is not being monitored at present.

Please call us in opening hours on 01243371533.

We look forward to seeing you soon!

Simon, Cecile and The Sussex Team.x
